

Annette Franta, Chief Financial Officer, Mountain Family Health Centers

As Chief Financial Officer, Annette Franta is responsible for the fiscal management of Mountain Family Health Centers, including Patient Accounts, Outreach and Enrollment, Finance, and Facilities Departments. Annette joined the Executive Team at Mountain Family Health Centers in 2005. Previously, she was the Finance Director at Mind Springs Health, and she consulted with a national firm coordinating fiscal management for local governments in the West. Annette earned her Bachelor of Arts in Accounting from the College of St. Benedict in Minnesota. Annette is an active member of the community, especially with the Elks Lodge in Glenwood Springs. She enjoys golfing, boating and water sports, and spending time with her grandkids.
